

Residencial
Papaya II

The image shows a modern building entrance. On the left is a white gate with horizontal slats. To its right is a wall made of light-colored, irregular stone blocks. Mounted on this stone wall is a sign that reads "Residencial" in a simple sans-serif font, and "Pajungara II" in a larger, stylized script font. To the right of the stone wall is a plain, light-colored wall. In the background, a multi-story building with a window and a palm tree are visible under a blue sky with white clouds.
